

Coachella Valley Water District  
**Large Landscape Smart Controller Rebate  
Program**  
**Terms and Conditions**

**Eligibility:**

1. Participant must be a Coachella Valley Water District customer and the property owner of the installation site. The property site must be served by a dedicated landscape meter (class 11).
2. The applicant must have an account in good standing with the District and the site must have a minimum of one year of water consumption history so that a pre-and post-water consumption comparison can be conducted.
3. The participant must have a fully functioning irrigation system that is run by a working timer/controller.
4. The participant must retain the old replaced timer/controller for our field technician to verify during our site visit.
5. At the time of the on-site mandatory inspection, all valves requested for rebate payment must be hooked up and operational.
6. Rebates are available on a first-come-first-serve basis to eligible participants while funding remains. Rebates have a limit of \$5000.00 per year.

**Conditions:**

1. The participant agrees to leave the “**Smart Controller**” in place for a minimum of three years provided that ownership of the property does not change.
2. The participant agrees to allow Coachella Valley Water District to inspect the property within the first three years of the program.
3. CVWD will bill rebate amount back to the customer service account if: i) upon inspection, the Smart Controller is not installed at the CVWD serviced address or, ii) Upon inspection, if the Smart Controller is not installed per manufacturer specifications or, iii) if applicable, customer discontinues payment of the signaling fee during the first three years after installation date.
4. The participant agrees to allow the District to contact him or her for the purpose of conducting program research and agrees to participate in the customer satisfaction poll at the conclusion of the program.
5. The participant has read and agrees to the conditions set forth in the following disclaimer:

Neither the Coachella Valley Water District nor participating cities, nor their contractors or agents, makes any representation or warranty regarding the irrigation controller utilized in this Smart Controller Rebate Program. By participating in the rebate program, you waive and release the Coachella Valley Water District, the participating cities and their contractors and agents, from all claims and causes of action arising out of the purchase, installation or use of the smart controller purchased in connection with the Smart Controller Rebate Program. Any claim you have based upon defect or failure of the performance of the smart controller purchased by you in conjunction with this rebate program should be pursued with the manufacturer.

**Instructions**

1. Complete all sections of this application.
2. If you agree with the terms and conditions of the Rebate Program, sign and date this application.
3. Submit the completed Application to the address below. Applications will be processed in the order of receipt. A Rebate Confirmation Notice will be mailed to you. **Do not purchase your new Smart Controller until you receive authorization to proceed. Rebate funds are not reserved until you receive the Rebate Confirmation Notice.**
4. You have until the expiration date shown on your Rebate Confirmation Notice (30 days from date of issue) to purchase and install the new technology.
5. The smart controller device must meet the Irrigation Association's definition of a Smart Controller “...**monitor and use information about environmental conditions for a specific location and landscape - information such as soil moisture, rain, wind, the plant's evaporation and transpiration (I/T0) rates, and in some cases, plant type and more - that enables the device to decide when to water, and when not to, providing exactly the right amount of water to maintain lush, healthy growing conditions.**”
6. The current Smart controller rebate is up to \$750.00 per irrigated acre or 50% of the cost of the controller, whichever is less. Square footage to be calculated by Global Mapper Software.
7. Mail the completed Rebate Confirmation Notice along with the original sales/purchase receipt to CVWD at the address below. The original receipt must show make, model, and costs of the Smart Controller.
8. Retain a copy of the Rebate Confirmation Notice and the sales receipt for your records. The rebate program is not responsible for materials lost by mail.
9. Schedule site inspection verification visit by calling 398-2651 ext.3562. This step is mandatory prior to receiving your rebate.
10. You will receive a rebate check within 90 days after the installation has been verified.

Mail to: CVWD • P.O Box 1058, Coachella, CA 92236
